Signal Words

When you write your concluding sentence, you may want to use signal words to show your reader that you are ending your paragraph, but you do not have to use signal words. Your options are below:

- no signal word
- *In conclusion,*
- *In summary,* (for summary)
- *In short,* (for summary)
- *To summarize* (for summary)
- *In my opinion,* (for opinion)

Note: Use *finally* for the a last supporting point, not for the conclusion.
